WELCOME

Welcome to the 6th Noosa Prostate Association (NPA) Awareness Lunch.

We are a registered charity, our purposes being the promotion of awareness, regular testing and early diagnosis of prostate cancer, and the raising of funds for those purposes and for critical research and support. Funds are raised for the Prostate Cancer Foundation of Australia, and for local awareness, education and support. The NPA has raised over \$1,000,000 since 2018.

We were instrumental in the appointment of Noosa's first prostate cancer specialist nurse. In the last year, we have run digital awareness signage at Noosa Civic, Caloundra Shopping Centre, Stockland Birtinya and Sunshine Plaza, and digital roadside billboards at two motorway locations. We have upgraded our website and run digital media and social media campaigns. Zinc 96.1 FM and 91.1 Hot FM and are running awareness ads.

The challenge remains. Prostate cancer is the most common cancer in Australia. 29,000 men are diagnosed and 4000 men die annually.

Prostate cancer can be indicated by a simple blood test. Early diagnosis is critical and saves lives. Late detection can be fatal, but men continue not to test, or not to test early enough. Research is critical to treat and cure prostate cancer. Support is critical for all sufferers. Funding is critical so please give generously.

Thank you to our sponsors, partners, donors and to you for your attendance and support.

Ian Miller
Chair
Noosa Prostate Association

Get him tested.

Prostate Cancer is the leading killer of men each year, early detection could save his life.

 

www.noosapa.com

A woman with blonde hair, wearing a light blue jacket and a tan skirt, stands with her back to the camera, embracing a man with long brown hair who is wearing a dark jacket. They are standing on a beach with a pinkish-purple sky in the background.

HE'S YOUR WORLD!

A Prostate Cancer test could keep him in it.

 

www.noosapa.com

A man in a blue t-shirt and khaki shorts stands on a beach, holding a young child in a green shirt up on his shoulders. They are looking out at the ocean under a clear blue sky.

Get him tested today.

Early detection of Prostate Cancer could save his life.
